Plan a summer vacation in the Ashnola and see the most unique high country in British Columbia. Travel by horseback into the alpine wilderness, visiting glacier fed lakes filled with cutthroat, rainbow and speckled trout. View the different varieties of wildlife such as California Bighorn Sheep, mountain goat, mule deer, black bear and many more smaller species

See the mountain meadows filled with wild flowers, giving them a natural beauty that can only be seen in the high country. Smell the bacon and eggs cooking over a campfire on an early clear mountain morning. These are some of the things you will experience on this mountain wilderness trip by horseback.
